Dear Qualified Gas Contractor and Associate,

It's been 26 years since our organization was founded and we have much to celebrate. What better way than to gather together as friends and partners for a celebration that honors those who've helped make our success possible, all the while looking forward with excitement to even greater success in the years to come.

We invite you to set aside **Saturday, February 20th, 2010**, to join us for an evening that promises to be memorable as we celebrate the recipient of the **Johnnie Joyner QGC Award** for distinguished service. The Awards Dinner will be held at the **Greenbrier Country Club, 1301 Volvo Parkway, Chesapeake, Va. 23320**. We'll have fun, of course, and we'll also share plans for growth as we set our sights on expansion throughout Virginia, growing our businesses and individual membership for the Qualified Gas Contractor's three councils.

Another area we're moving strongly into is protecting the environment. Our members have always been on the cutting edge of new technology, and now we're leading the way once again with a new emphasis on the earth-friendly products and procedures that natural gas offers with our Go Green, Burn Blue! Campaign.

We'll also be presenting the Second Annual QGC Johnnie Joyner Award for Distinguished Service and has best carried out the aim and purpose of the Qualified Gas Contractors of South Hampton Roads Association.

For 26 years we've combined our diverse talents and pulled together to create a unique partnership that helps us all to be the best at what we do and we couldn't have done it without you. Now it's time to celebrate and we look forward to thanking you for your commitment and enjoying your company at our gala evening.

We'll see you there!

Vincent O'Brien
